

SUGARLAND'S TOMMY BOY

February 19, 2012 ~ October 7, 2021

To our beloved Tommy Boy, aka "Tom Cat", our *Last Man Standing*, after 35 years of living with our beloved Mastiffs, your passing marks the end of an era and with endings come new beginnings. We had so many talks especially after your Soulmate Lavinia, your "LuLu Bear", left us in December, 2018. You were so lost without her, so many great times walking the Sugarland trails, all together, and then having those talks, trying to prepare both of us for life at Sugarland without Lavinia. We managed through difficult times with you always at our sides. We remember all of the wonderful times when we first met at the Shelter, you were so young, vibrant and what a wonderful Companion. Words cannot express the loss that we feel, the emptiness having to say goodbye yet knowing that you were on your way to be with our Lavinia. Knowing that you were making your journey to her, provides us comfort, also knowing that a piece of our hearts will always be bound with yours & your presence is always known to us.
